**Stall Selection**

Please make your selection by placing the word (steer, heifer, swine, turkey, broiler, lamb, or goat) in the space above (example: 1<sup>st</sup> choice-steer Show-La Porte, 2<sup>nd</sup> choice-sheep Show-Houston, and 3<sup>rd</sup> choice-swine-San Antonio). All students eligible will receive their 1<sup>st</sup> stall before any students 2<sup>nd</sup> stall is awarded. The awarding of stalls is based on grade level. Please remember, this form is only a request for a selection of stalls.

---

**Tack/Feed/Hay Storage**

Each stall has a designated storage area/locker that will be available to store a limited amount of feed and hay as well as grooming equipment and other supplies. You must provide your own lock for your locker. You will NOT be permitted to store anything that does not fit into your assigned lockers. Storing excess hay in aisles or anywhere around barn will NOT be permitted. Lockers will be shared this year.

---

**Animal Health**

All other medical supply should be directed to a Veterinarian. All medicine should be given according to label and Veterinarian directives. You are expected to maintain your animal's health at all times to prevent the spread of infection in the facility. If you animal shows sign of sickness, you should take immediate actions.

---

**Invoice**

First stall request will be paid on October 7 at 6:00pm at the LPISD Ag Facility. After first stalls are assigned, if there is room for second stalls they will be assigned accordingly. The animal project cannot be moved into the barn unless all fees are paid or if you receive permission from an Ag Teacher. If you do not satisfy all fees timely you will be required to **remove** the animal(s) from the LPISD Ag Facility, and your stall will be given to the next person on the waiting list. Remember being in the LPISD barn is a privilege.
